GO Team Workers on the Go

By Linda Wong on behalf of GO Team

After a special trip with extended family, they had a 2-hour flight to take before arriving at their other parents/grandparents' home on Saturday. Plans changed. For our Global Outreach partners on furlough, theirs was one of thousands of canceled flights due to the global tech outage. As of this writing, the family are booked to fly in on Wednesday. Then, on August 4th, they fly back to their home-abroad.

Our Almighty God hears all their discouragements and disappointments. He feels their frustrations and fatigue. Matthew 11:28 states, "Come to me, all you who are weary and burdened and I will give you rest."

Back at their home-abroad, the Lord has used this family to allow hope to grow and healing to take place. Recently, six women gathered to courageously share their trauma in a safe space. S shared in their newsletter,

"Through the group, these women learned that there is a Father who is pursuing them and always reliable. They left empowered, with a greater understanding of their worth and how to reach wholeness."

God doesn't waste a hurt. He will redeem all the trauma and restore each woman, who fully puts her trust in Him.

"Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God" 2 Corinthians 1:3-4.

Pray for our GO partners – a family of comforters.
