

# The Threat of Hedonism

## Christ Transforms Culture

Christian Lissner

- I. Culture says that pornography is acceptable, not realizing that it dehumanizes people
- II. Christ says that lust (desire for anyone besides your spouse) is a sin
- III. Culture says that adultery and any sexual relations outside the confines of marriage are acceptable
- IV. Christ says that we must flee from sexual immorality and honor the Lord with our bodies
- V. Christ transforms culture by negating the sexually immoral norms of society and instead calls us to be pure and holy

### Reflection and Application

1. Are you willing to stand up against pornography and other media that are leading people astray?
2. Singles: Are you being held accountable in your walk with the Lord? If not, find at least one faithful and trustworthy person who can help you in your walk.
3. Married couples: Is your marriage being hindered by lust and immorality? Are you willing to get help and seek counsel?
4. Do you feel a disconnect from God because of your sin? Take time to confess your sins to him and ask for his forgiveness.
