

# Journey Media Consent Opt-Out Form

In an effort to make Journey's Evangelical Church's social media presence more attractive to potential visitors and expand God's kingdom, Journey will occasionally post pictures that might include you or your children to social media such as the Journey website, Facebook page (public and private), Instagram, Yelp, etc. We will not show more than a first name for adults (or first name with last name initial to differentiate people with the same first names). No names will be shown for minors.

BY DEFAULT, those who come onto the Journey campus give permission to use their likeness/photo for Journey media UNLESS one of the opt-out boxes below is checked. If you prefer to opt-out by email instead, kindly send your opt-out request to [Info@JourneyEC.org](mailto:Info@JourneyEC.org)

Do NOT show pictures of me and/or my minor children on social media (opt-out of showing photos)

Do NOT identify me by any name (but okay to show me in photos).
