

### About halfway through the book of Nehemiah

First half is about building the \_\_\_\_\_ amidst politics

Second half is about building \_\_\_\_\_ in community

### When nearing the finish line, **focus on God's goals** and

1. Discern, ignore \_\_\_\_\_, vv. 1–4
2. Don't fear \_\_\_\_\_, instead humbly state truth, vv. 5–9
3. Don't be fooled by religious \_\_\_\_\_, v. 10–14

### Applications, reflections to consider

- What great work has God called you to?
- Do you have a plains of Ono that keeps you from completing God's great work?
- When someone wants to share gossip with you, what is the godly process and goal?
- How are some prayer requests like Sanballat's unsealed letter?
- Is it acceptable for a believer to say "The Lord told me to say to you that..."
